SINGAPORE COIN AUCTION

献词

当时钟走向二十一世纪,衡量世界经济发展的世贸组织,竖立了一个光辉的里程碑,为各国间的繁荣,打开了更多商机的窗口,提供了技术上的可行规范。

在去年12月的五天里,新加坡成为举世瞩目的范例,她不仅以高专业水平把握了迈向巨大成功的机会,并且证明了开放的国际贸易完全能改变一个国家。

1965年,许多发达国家的专家与评论家饶有兴趣地仓促定论:刚独立的新加坡不会成功。时隔三十一年,新加坡作为接待全球世贸代表的主人,受到每位出席代表的赞誉。

新加坡经济的突飞猛进和世贸会议的成功召开,间接诠释了新加坡钱币拍卖会成功的缘起。自1986年开始,每年一度的拍卖会受到了亚太和其他地区买家的深切注目,吸引了众多的典藏家。多年来,许多珍贵钱币,纸钞的价值确认及稳中见涨的良好记录,使买卖双方得到了增值信心。毋庸置疑,卖家相信会取得最好的回报而将昂贵的珍藏委托我们出售,买家也坚信他们的投标能够获取增值。除了钱钞,随之而掀起的艺术品,古董,珠宝等收藏品拍卖热潮,使众多的优秀商家加入了这个行列。

每一年的新加坡钱币拍卖会,隆重而影响深远,热烈而信誉卓著。每一位参与者都能体会到,泰星, Baldwin 和 Gillio 慎密运作的拍卖会主题明显,特色独具。今年的拍卖盛会,将特别诚荐有保证的钱,钞珍品,这些非常完好品相系列,包括了泰国,香港,日本和韩国的珍品。另外,拍卖会也将呈献我们的专长——许多经多年集合,完美的东印度公司,英属印度钱币,及来自神州中国而极为罕见的金,银质钱币和钞票,相信这些名贵典藏,正是各地收藏家和来自中国专家志在必得的所觅和新宠。回首以往,亚洲地区迅速发展的钱币收藏现象所呈现的惊人热情,我们确信她是在有文化背景下的现象,将渊源流长。

欢迎您!来自全球各地的朋友,新加坡钱币拍卖会深深感谢您给予的支持,让我们相聚在新加坡,希望您们在这个美丽的岛国寻觅到珍爱,留下美好的回忆。

SINGAPORE COIN AUCTION

FOREWORD

Of all the achievements that measure the development of the global economy, the World Trade Organization stands out as a shining example of the art of the possible and as a window of boundless economic opportunities as the clock ticks towards the 21st century.

For five days in December last year, Singapore became a glittering showcase, not only for the highly proficient way it handled the hugely successful WTO Conference, but also as an illustration of how exposure to international trade can transform a country. In 1965, many development "experts" and interested observers were quick to write off the newly independent republic as a non-starter. In 1996, Singapore was gracious host to the world, winning praise from everyone attending.

This economic phenomenon in a way explains why the Singapore Coin Auction has been a success from the beginning. Since its launch in 1986, the annual event has been attracting the keen attention of collectors from the Asia-Pacific region and beyond. Over the years, the prices realised by many exceptional coins and banknotes have hit records that have gladdened the hearts of both buyers and sellers. Without doubt this proves that sellers are confident of getting a good return by consigning their precious collections to us for sale, while buyers are confident of getting good value for their successful bids. Besides coins and paper-money, this also applies to collections of art, antiques and jewellery, where the market is opening up. As a result, a number of well-known dealers have been attracted to follow in our footsteps.

This confidence is an asset of the Singapore Coin Auction which we hold very dear. Every year the firms of Taisei, Baldwin and Gillio work to make this event a special one for everyone attending. This year we have put together a broad range of coins and banknotes which we are proud to offer. There are several very fine series in the Thai, Hong Kong Japanese and Korean sections, as well as a comprehensive collection of coins of the East India Company and British India, carefully formed over many years; these are our area of expertise. In the China section -- our forte -- there are numerous outstanding series of high quality and rare gold and silver coins and paper-money. We expect much interest in them, especially from China "specialists". Over the past few years, the rapidly developing "Middle Kingdom" has seen a spectacular resurgence of enthusiasm for numismatics. We are convinced this is not a passing fancy.

We welcome our friends and colleagues to Singapore, thank them for supporting this auction and wish them a very pleasant stay in this beautiful island.

In the past, the “S” type Rupee was thought to have been struck at the Sagar mint, but Sagar did not strike this type of coinage. It might represent the initial of George Saunders, the Calcutta mint-master between 1816-20, though this is highly speculative.

邮 寄 竞 投 者 须 知

CONDITIONS OF SALE

- 1 The highest bidder for each lot shall be the buyer thereof. In the event of any dispute, the auctioneer shall have absolute discretion to determine the dispute and may put up again and re-sell the disputed lot.
 - 2 The auctioneer shall have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer who shall have the right to refuse any bid or bids. No person shall offer any bid of less than US\$1. Postal commissions should be made to the nearest US\$5 where possible.
 - 3 All lots are put up for sale subject to any reserve price that may be imposed by the seller. The seller shall be entitled to bid personally or through any other person (who may be the auctioneer) and to withdraw any lot or lots either personally or through the auctioneer.
 - 4 Bidding commissions for anyone unable to attend the auction in person may be carried out by the auctioneer without charge, but "buy" commissions will only be accepted if the auctioneer is given absolute discretion.
 - 5 The buyer of any lot shall immediately furnish his name and address to the auctioneer and, if required,
 - (a) provide bank or other credit references; and
 - (b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.
 - 6 Lots are sold as shown with all faults, imperfections and errors of description. Neither the auctioneer nor the seller shall give any warranty to any buyer in respect of any lot, or be liable for any fault or error of description, or lack of genuineness or authenticity of any lot. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise, are statements of opinion only, and are not and shall not be taken to be statements or representations of fact. The auctioneer reserves the right in forming his opinion, to consult and rely upon any expert or authority considered by him to be reliable. Notwithstanding the foregoing, if any lot should be proved by the buyer to be a forgery or re-print, or to have been wrongly described in any material respect, the buyer may reject the same, provided that he shall have given notice of his intention to do so and shall have returned the same to the auctioneer within fourteen (14) days from the day of the sale. Under no circumstances will the auctioneer be liable for any costs, expenses or damages incurred by the buyer in respect of any lot, including, but not limited to, loss of any kind of profit whatsoever. Bidders are advised to scrutinise the lots they bid for.
 - The auctioneer guarantees all items offered in the catalogue to be genuine. Claims to the contrary must be made in writing within fourteen (14) days after receipt of materials.
 - Questions on a coin being a proof or business strike relate to method of manufacture but not on authenticity.
 - No lot may be returned after thirty (30) days after the sale.
 - 7 The auctioneer acts solely as an agent and shall not be responsible for any default by either the buyer or the seller or for any action or claim which may arise in respect of any lot.
 - 8 Buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. The auctioneer cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneer's premises.
 - 9 The auctioneer will not hold himself responsible for the safe custody of any lots left for more than seven (7) working days after the date of the sale, and reserves the right to charge storage and to re-sell by auction or privately, and without notice to the buyer, any lots not removed from his premises within fourteen (14) days from the date of the sale. Buyers shall not be entitled to remove lots from the auction room during the course of the auction.
 - No lot may be returned without the consent of the auctioneer.
 - If the auctioneer agrees to the return of any lot, it must be contained in its original, sealed and unopened container.
 - 10 Each lot shall be at the buyer's risk from the fall of the hammer.
 - 11 All lots delivered in Singapore are subject to Goods and Services Tax (GST) at the prevailing rate. But lots delivered outside Singapore to non-Singapore residents are not subject to GST.
 - 12 Any part of the purchase price, GST included, left outstanding after the auction pursuant to Condition 5, shall be paid in full within thirty (30) days of the date of the auction. Without prejudice to any other rights, the auctioneer reserves the right to charge interest on any overdue payment at the rate of two-and-a-half percent ($2\frac{1}{2}\%$) per month. Seven (7) working days' notice must be allowed for the clearance of personal cheques before delivery can be made, unless prior arrangements have been made with the auctioneer. Payment by credit card shall not be accepted for auction purposes.
 - Late payment for any reason is just cause for revocation of all return privileges.
 - 13 Buyers accepting commissions from other parties do so at their own risk and will remain responsible to the auctioneer for full settlement according to these Conditions.
 - 14 By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.
 - 15 If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of the auctioneer be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneer's expenses and commissions in respect of the resale, the amount (if any) by which the price obtained on the resale and GST imposed at the prevailing rate is exceeded by that obtained in the first sale.
 - 16 A variation of these Conditions shall only be binding on the auctioneer and the seller if it is made in writing and signed by a duly authorised representative of the auctioneer.
 - 17 In these Conditions, the Auctioneer means Taisei-Baldwin-Gillio Auction Company.
 - 18 These Conditions shall take effect and be construed in accordance with the provision of Singapore Law.
 - 19 **A "Buyer's Premium" of ten percent (10%) is charged on the hammer price, but there is no additional charge for executing bids. All premiums are subject to GST at the prevailing rate.**
- Note:**
- Your attention is drawn to Condition 12. After thirty (30) days, interest will be charged on any amount of the purchase price left outstanding at $2\frac{1}{2}\%$ per month, including GST.
 - All sales prices are in United States Dollars.

ADVICE TO POSTAL BIDDERS

- 1 Return your commission forms sooner than later, as bids are recorded in the order that they are received. Where two bids are received for the same amount, the bidder whose commissions arrived first is the buyer, subject, of course, to bids from the floor.
- 2 If you are late with your bids, use the telex, send a cable or telephone. Telephone bids can be accepted, although we would ask for the bid figures to be confirmed in writing as we cannot accept responsibility for mistakes.
- 3 All commissions are handled in the strictest confidence and, if successful, the lot is knocked down in the name of "TAISEI".
- 4 The auctioneer will normally increase the bidding in 10% jumps. We would ask postal bidders to keep their bids to the nearest multiple of US\$5 or US\$10. Bids of US\$101 will be treated as US\$100, and similar "odd" amounts will be rounded down to the nearest actual bid at the auctioneer's discretion.
- 5 It is important to realise that we will try to obtain the lot bid on for the lowest possible price, and we fully appreciate the fact that the bids given are the maximum figure that the bidder is prepared to pay for any lot.
- 6 We are happy to handle bids for customers who are interested in a number of lots, but wish to spend only a limited amount of money. Bidders are advised to mark their bids in the usual way and then clearly state the maximum amount they wish to spend.
- 7 In a similar way, if bidders wish to bid on a choice of two items, they should clearly mark on the commission form "either/or".
- 8 Please remember to give full details as to how the lot or lots are to be dispatched. Successful bidders will be sent an invoice immediately following the auction, and the general rule is that this must be settled in full before the item or items are dispatched. Insurance and postage are to be borne by successful bidders.
- 9 If there is any query before an auction about any item in the sale, or regarding a method of bidding, remember we have several overseas offices which can assist, and we in London and Singapore are only a telephone call or fax message away.
- 10 A "Buyer's Premium" of ten percent (10%) is charged on the hammer price, but there is no additional charge for executing bids.
- 11 All premiums are subject to GST at the prevailing rate.

DON'T MISS OUT ON OPPORTUNITIES TO BUY — POST US YOUR BIDS.

PAYMENT

Mode: Payment shall be made in United States Dollars in the form of cash or cheques drawn on a United States clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly to the auctioneer's bank account, quoting the original invoice number. Unless prior arrangements have been made, and payment is made by any other means, the customer will be liable for any bank or collection charges incurred.

- **By cheque/bank draft payable to Taisei-Baldwin-Gillio Auction Company**
- **By telegraphic transfer to: Chung Khiaw Bank Ltd
439 Geylang Road, Singapore 389399
for the account of Taisei-Baldwin-Gillio Auction Co**

Currency: The sale will be conducted in United States Dollars. Full

settlement will be expected also to be in United States Dollars. Bank cheques in United States Dollars can be easily purchased within the United Kingdom. Payment made in Pounds Sterling will, of course, be accepted. BUT the customer will be responsible to the Taisei-Baldwin-Gillio Auction Company for all bank charges and any differences in exchange rate upon conversion

Full Settlement: Full settlement is due on receipt of invoice. No items will be dispatched except to established account customers, unless full payment has been received.

Account Customers: Full settlement is due within thirty (30) days of the sale taking place. After that time, any amounts owing will be subject to interest (2 1/2% per month) in accordance with the CONDITIONS OF SALE printed in the catalogue.

MISCELLANEOUS

Commission buying: All commissions handled by Taisei Stamps and Coins (S) Pte Ltd are treated in the strictest confidence and are knocked down in the name "TAISEI".

Prices Realised: A list of prices realised is issued immediately following each sale. Customers wishing to receive copies earlier are asked to send in US\$1 (or the currency equivalent). The auctioneer regrets that it is impractical for accounts to be charged for such a small amount. No list will be sent without full payment.
